ERRATUM

Dynamic Permeability in Porous Media. PING SHENG and MIN-YAU ZHOU [Phys. Rev. Lett. **61**, 1591 (1988)].

On p. 1591, column 1, line 10 should read “static permeability κ_0 . . .”

On p. 1592, column 1, line 11 should read “. . . the $\mathbf{x}(\mathbf{y})$ variable”; line 4 following Eq. (2) should read “ $\mathbf{w} = \mathbf{W}(\mathbf{x}, \mathbf{y})(\nabla_x p_0 + \bar{\omega}^2 \mathbf{u}_0)$ ”; line 2 above Eq. (4a) should read “. . . we finally obtain the equations. . .”; line 1 above Eq. (5) should read “ $\kappa(\omega)$ is given by. . .”

On p. 1593, Eq. (7) should read as follows:

$$\tilde{\kappa}(\tilde{\omega}) = \begin{cases} 1 + i(\alpha\kappa_0^2/C_1\phi)^{-1}\tilde{\omega}, & \tilde{\omega} \rightarrow 0, \\ \sqrt{2}(\Lambda^2\phi/\alpha\kappa_0)^{-1/2}\tilde{\omega}^{-3/2} + i\tilde{\omega}^{-1}, & \tilde{\omega} \rightarrow \infty. \end{cases} \quad (7)$$

On p. 1593, Eq. (9b) should read as follows:

$$C_1 = \phi B \langle S^{-1} \rangle / [\langle S^{-2} \rangle^2 \langle S \rangle]. \quad (9b)$$

On p. 1594, column 1, line 15 should read “there exist scaled variables $\tilde{\kappa}, \tilde{\omega}$. . .”
